

How to use this poster:

Use the points below as a guideline of the main steps delivery drivers should follow when making deliveries.

Print poster on
page 2

When making deliveries, I will:

-  Set goods down at previously agreed drop-off point or just outside front door
-  Ring doorbell
-  Keep away and maintain at least a 2m distance from the door
-  Ensure delivery is complete

I will also remember to:

-  Carry hand sanitiser with me at all times, and
-  Use it after each delivery
