Dear Occupier,

**A10 Buntingford Roundabout Upgrade**

Hertfordshire County Council is developing an improvement scheme to upgrade the roundabout at the junction of the A10 and London Road to the south of Buntingford. This improvement is identified in the Council’s Local Transport Plan and East Herts District Council’s Local Plan. The Council is currently seeking funding to deliver the project so we are unable to commit to a delivery date, however, we are seeking views of local stakeholders to ensure that we have a project that is ready to deliver should the opportunity arise.

**Need for intervention**

This roundabout currently experiences queues and delays during peak periods and this is forecast to worsen in future years due to growth in the wider area.

**The Proposal (see attached plan)**

The proposed scheme involves reconfiguring the existing oval shaped roundabout to a circular shaped roundabout with the following features to improve its capacity:

- A segregated left turn lane from the A10 (South) to the A10 (North West);
- Providing additional lanes at the entries to and exits from the roundabout;
- Providing a section of new shared cycle and walking path at the eastern arm of the roundabout to link to the football club and proposed school;
- Realigning the footway adjacent to the southbound carriageway, closing the layby south of the roundabout and amendments to private field accesses to the west of the A10 to accommodate the above changes;
- Signing an alternative route for cyclists parallel to the A10 between Buntingford and the Puckeridge area along lightly trafficked roads.

We believe this scheme will significantly benefit local residents and businesses and people who use the A10.

**Want more information?**

To find out more about this project, please refer to the consultation drawing on the reverse side of this letter or visit the project web page at [www.Hertfordshire.gov.uk/A10Buntingford](http://www.Hertfordshire.gov.uk/A10Buntingford). The web page contains further information about scope and project stages.

If you do not have access to the internet or would like more information or would like the information in a different format/ language, please call us on 0300 123 4047 and we will do our best to help.

**Have your say**

Your views are important to us and will be considered during the detailed design.

Please go to [www.Hertfordshire.gov.uk/A10Buntingford](http://www.Hertfordshire.gov.uk/A10Buntingford), to complete a short questionnaire and submit any comments you may have about the proposals. Alternatively, you can send your comments to us at [A10Buntingford@hertfordshire.gov.uk](mailto:A10Buntingford@hertfordshire.gov.uk).

Further opportunity to comment

There will be a further opportunity to comment on these proposals, when we will hold a statutory consultation on the permanent traffic regulation orders needed for the scheme.

Yours faithfully,
