Dear Sir/ Madam,

**24 February 2020**

Hertfordshire County Council is proposing to introduce parking restrictions in your locality. Details of the location and our preferred option are set out below, with a plan overleaf. County Councillor Nick Hollinghurst considers this scheme as a priority and is funding this through the Highway Locality Budget.

#### What is the proposal?

No waiting at any time, double yellow line restrictions to tie-in with the current restrictions.

---

#### What is the purpose of the proposal?

To improve the free flow of traffic, improve visibility at two road junctions and prevent further inappropriate parking.

---

Please contact us by completing the short survey at [www.hertfordshire.gov.uk/BrookStreet](http://www.hertfordshire.gov.uk/BrookStreet) Alternatively, you can write to us outlining whether you support the proposal or not and provide any relevant comment. #### What happens next?

This public engagement exercise is the first part of a two-stage process. The comments received from residents and businesses will help us finalise our proposals prior to public consultation or decide not to pursue them any further.

The second public consultation stage is open to anyone. An advertisement will be placed in the local newspaper. A site notice and plan will also be erected on lamp columns in the locality. It is intended that this will take place during **April / May , 2020**.
