

Package 8 – Watford South

The overarching aim of Package 8 is:

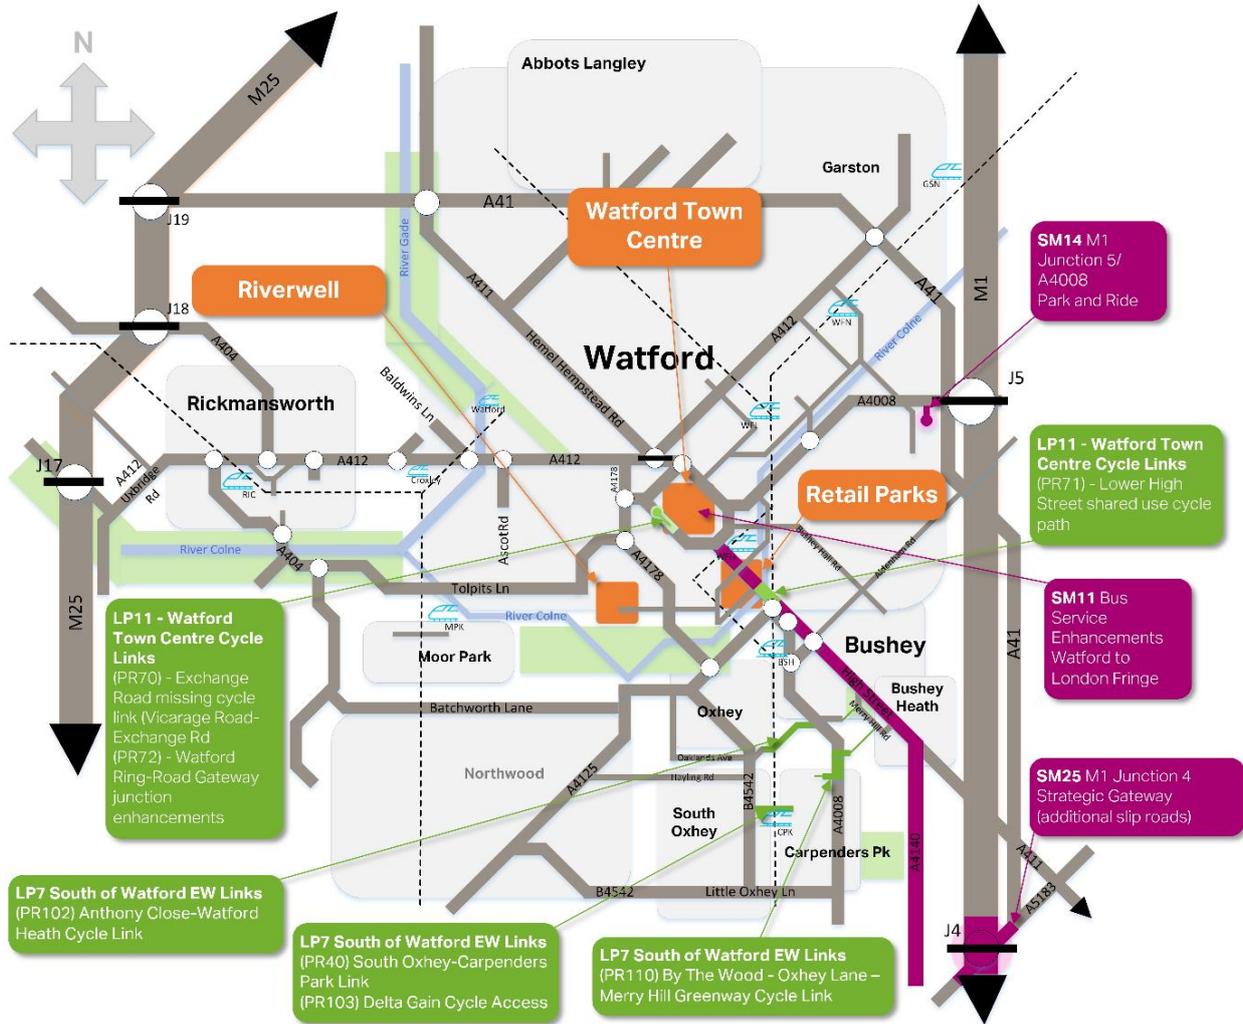

To enhance the attractiveness of journeys by bike and bus in southern Watford, and facilitate more appropriate route options for traffic which avoid Bushey Arches.

The package consists of:

- Enhanced bus priority infrastructure and services through Bushey and Carpenders Park.
- Cycling links in Oxhey, Carpenders Park, and Bushey.
- The introduction of slips at M1 Junction 4 to allow all movements between the M1 and A41 alongside a Park and Ride facility at M1 Junction 5.
