HCC1911512	Environment	Appraise the feasibility of different options to allow fish and eel migration through the Grange Paddock's weir section of the river Stort in Bishop's Stortford. Options to investigate will include removal, modification, and bypass of the weir. The study will also identify opportunities for further biodiversity enhancement along this section of the river Stort. The consultant will provide material to support stakeholder consultation, and will produce an outline design of the favoured option.	01/09/2019	27/03/2020	31/01/2020	50000	JBA Consulting	Private Sector non-SME	Quote
