

NOTICE 2

HERTFORDSHIRE COUNTY COUNCIL

The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 (the '2012 Regulations')

This is formal notice pursuant to Regulation 10 (3) of the 2012 Regulations setting out the reasons why compliance with regulation 9 is impracticable with regard to the electrical works to Adeyfield School, value £805k and the boiler and mechanical works to Fernhill School value £600K

Reason

Each School is a single site and works were not anticipated to be in excess of £500K and so were not included on the forward plan as key decisions. However, due to various factors (summer month working etc.) the tenders have come in higher than expected. This is work on schools and it needs to be carried out over the holidays whilst the staff and children are away. These decisions must be taken by Monday 31 July 2017 due to the short timescales and to ensure that the works are completed in time for the start of the new school term.

Accordingly there is insufficient time to include this decision in the next Forward plan and wait the 28 days required by regulation 9 before making the decision.
