### 1. **Decision** <sup>2</sup>

To further extend the contract between Hertfordshire County Council and Herts for Learning for the provision of Herts for Learning Services and Support to Hertfordshire County Council by one year to cover period March 2018 to April 2019.

### 2. **Reasons for the decision** <sup>3</sup>

The original contract commenced on the **1st September 2013** and continued for a period of three years until **31st August 2016** but could be extended at the agreement of both parties for up to three years.

The parties extended and varied the Contract by way of a deed of variation from 1st September 2016 to 31st August 2017.

The parties further extended and amended the Contract and First Variation with effect from 1st September 2017 to 31st March 2018.

In October 2017, Hertfordshire County Council undertook a consultation with maintained schools on proposals for the de-delegation of funding by Maintained Schools for the year 2018/19 for school improvement and other support provided by HfL to allow the Council to continue to fund Herts For Learning to undertake a range of functions in support of schools, separate to and beyond what is provided to those schools on a traded basis.

These activities are necessary for the Council and its Maintained Schools to continue to operate as successfully on behalf of local children as we have come to expect over many years. It is now clear that there is no general requirement on Maintained Schools to convert to Academy status in the medium term future.

The proposals for the de-delegation of funding were supported by a majority of maintained schools and formally agreed by the Schools Forum on 29<sup>th</sup> November 2017 specifically to support the extension of current arrangements with Herts for Learning. The Council and Herts for Learning now wish to extend for a further year with effect from 1st April to 31<sup>st</sup> March 2019 as HCC needs to put in place arrangements properly to support those schools that wish to remain Maintained. After this date, the contract cannot be extended.

Both HCC and HfL believe that the support provided by Herts for Learning through the contract has contributed and continues to contribute to the excellent performance of

## DECISION RECORD

Hertfordshire schools. From 2013 to 2017 the percentage of Good/Outstanding schools in Hertfordshire has risen year-on-year. HfL is a schools company and owned by HCC (19%) and Hertfordshire Schools (81%).

The total cost of the contract is being met by a combination of allocated DSG (Dedicated Schools Grant) budget and de-delegation as agreed by the Schools Forum. There will be no additional cost for Hertfordshire County Council.

### 3. **Alternative options considered and rejected**<sup>4</sup>

As indicated in section 2 both parties believe that the support HfL provides schools through the contract has been extremely beneficial to Hertfordshire schools overall and because the contract enables an extension for a further 3 years up to April 2019, no alternative options were considered at this time.

### 4. **Consultation**

(b) Comments of other consultees<sup>7</sup>
