DECISION RECORD ¹

Subject: Formal transfer of commissioning responsibility for Tier 2 Plus enuresis to the clinical commissioning groups for Hertfordshire	
Staff Contact: Sue Beck	Executive Member: Richard Roberts
Tel: 01438-843625	Portfolio: Public Health

1. Decision

The Public Health Service will clarify the local enuresis pathway across relevant Hertfordshire services, including those commissioned by the Council and by the clinical commissioning groups.

2. Reasons for the decision

The commissioning of Tier 2 enuresis services for Hertfordshire was part of the responsibilities that transferred to the Clinical Commissioning Groups when they were established in 2013.

The Public Health Service absorbed some of the local arrangements as part of the transfer for the commissioning of Health Visiting and School Nursing services, largely because the provision was being delivered under the auspices of these services. The recommissioning of the Public Health Nursing Service helped to identify the local pathway for enuresis services, and the various commissioning arrangements for this.

3. Alternative options considered and rejected ²

None.

4. Consultation

(a) Comments of Executive Member ^{3 4}
