DECISION RECORD ¹

Please note that the information contained in this Decision Record and in Annex A is confidential and must not be disclosed.

1. Decision

1.1 That the Director of Public Health; has determined that Annex A to this Decision Record should not be disclosed to the public as it contains exempt information as defined by Section 100 of the Local Government Act 1972, Schedule 12A, the public interest in maintaining the exemption outweighing the public interest in disclosing that information;

1.2 Subject to 1.1 above, awards the contract for the provision of the All-age Drugs and Alcohol Treatment element of the Drugs and Alcohol Service to the preferred supplier set out in Annex A and approves the signing of the contract.

2. Reasons for the decision

A procurement process has been carried out to award a contract for the provision of the All-age Drugs and Alcohol Treatment element of the Drugs and Alcohol Service, based on the most economically advantageous tender when evaluated against the following criteria:

3. Alternative options considered and rejected ²
The Council issued an Invitation to Tender following a Contract Notice being placed in the OJEU and the procurement was split into two separate Lots. The All-age Drugs and Alcohol Treatment Service was Lot 1 of two lots.

Two tenders were received for Lot 1 in response to this Invitation to Tender and each was evaluated against a pre-disclosed robust set of evaluation criteria.

The successful tender for Lot 1 achieved the higher score when evaluated against the evaluation criteria.

The name of the successful tenderer for Lot 1 is set out in Annex A.

4. Consultation

(a) Comments of Executive Member
I would like to wish the bid winner my best wishes at the start of a hugely important all age drug and alcohol treatment service. I expect regular updates on effective performance and would wish our ambition to be that we make a step change improvement in outcomes from these services. The challenge for services and individuals alike is enormous but we must do better during this important contractual period. Young people are particularly vulnerable with these problems and I anticipate there needs to be prioritised to safeguard their future."

(b) Comments of other consultees
None

5. Following consultation with, and the concurrence of the Executive Member, I am proceeding with the proposed decision.
