Staff Contact: David Burt	Executive Member: Phil Bibby
Tel: 01992 658177	Portfolio: Highways and Environment

That the Director of Environment and Infrastructure

- 1. Has determined that Annex A of the Decision Record should not be disclosed to the public as it contains exempt information as defined by Section 100 of the Local Government Act 1972, Schedule 12A the public interest in maintaining the exemption outweighing the public interest in disclosing that information**
- 2. Awards the contract for works to: Interserve Construction Ltd for £15,629,921 for the construction of the A602 Improvements Scheme - Section B**
- 3. Approves the award and signing of the contract**
- 4. Notes that the unsuccessful bidder was:**

Tarmac

HCC has put in place extensive and robust evaluation processes, which has been applied throughout the procurement process. The conclusion of these processes has resulted in a single tender that scored the most economically advantageous tender. The project team recommend that the Award of contract for construction of the A602 Improvements Scheme Section B construction be awarded to Interserve Construction Ltd.
