Year of Culture

Hertfordshire 2020 - Year of Culture

Our ambition:

To showcase Hertfordshire as a county of creative and cultural opportunity

Five broad objectives to support this:

- ▶ Celebrate, share and explore Hertfordshire's arts, culture and heritage
- ▶ Enable access and participation in arts, culture and heritage for new audiences
- ▶ Increase wellbeing and a sense of belonging through arts, culture and heritage
- ▶ Showcasing pathways to education, employability and enterprise in the creative and cultural industries in Hertfordshire
- ▶ Create new partnerships and new work through skill sharing and new ways of working together

In Practice

- ▶ A collaborative, high profile promotional campaign for existing cultural activity across Hertfordshire
- ▶ 12 themed months, with core activity co-ordinated by a lead agency
- ▶ Key dates to draw together delivery partners countywide
- ▶ 'Special Experiences' added to both current opportunities and new activities
- ▶ New partnerships and skill sharing between organisations and practitioners, creating new activity locally
