

Hertfordshire Development Centre

Hospitality Menu

April 2021 to March 2022

Welcome to the Hertfordshire Development Centre hospitality and catering menu for meetings, training and events at Robertson House.

Covid-19 restrictions mean that we have reduced our usual offer to provide you with the core requirements while keeping your delegates, staff and our catering team safe in these uncertain times.

Our menu is provided in partnership with Herts Catering Limited. Together with HCL we aim to provide you with exceptional food and beverage options that meet the highest possible standards of food safety, quality and availability.

The ongoing closure of our onsite restaurant and coffee bar means that beyond the following pre-booked options, delegates will need to supply their own lunch. HCL have organised a small, staffed coffee and snack stand to be setup within the training centre, open between 10.30 and 11.00. There is also a hot drink vending machine and snack machine located in our breakout area.

All deliveries will be made to our low contact standard. Beverages and lunch will be left on catering trollies. Hand sanitizer and wipes are available for delegates to self-serve and clean down surfaces after use. All equipment is thoroughly cleaned and sanitized before and after use. Catering staff will use single use gloves and face coverings at all times.

Please specify delivery timings. We will do our best to match your requirements, but changes on the day will be subject to availability.
