

CHCC Care Leaver's Group

The Care Leaver's Group is for all care leavers in Hertfordshire aged 18yrs and upwards. It is led by care leavers themselves.

The group meets monthly and is very active, doing things like:

- Running an annual conference
- Making films
- Creating art work
- Telling senior Managers in Children's Services how things could be done better!

We also have lots of opportunities to do things like:

- Train Social Workers
- Help with recruitment of social care staff
- Train foster carers
- Speak at public meetings about what it is like to be a care leaver.

All of these things look great on your CV.
