1	<p>Unlock your potential event and ideas for Care Leaver's Week in October</p> <p>Following last CLG, when young people asked to meet Dean from 'Win That Pitch', we discussed progress with plans for the 'Unlock your potential' event which has been provisionally arranged for Tues 29 October (care leaver's week)</p> <p>Ellen and Nancy met with Dean and asked some of the questions young people wanted to know, eg more information on content of the session etc. We went through the notes of the meeting with Dean and then prepared questions/things to say to Dean about being a care leaver.</p> <p>We also discussed what else we could do during care leaver's week:</p> <ul style="list-style-type: none">- Jade thought we should promote the support that is available to care leavers and thought we could do this at the unlock your potential event by having stands re ILS courses, TYS, CHICC, the 21-25 service etc- Sarah likes the idea of getting together with other CLGs/CHICC to bring more attention to our work <p>We then had a phone conversation with Dean on loud speaker as Dean was delayed in London. We asked more about the content, delivery and Dean's motivation for the event. Everyone thought the content sounds good and it was good to hear about Dean's experiences in business and reasons for wanting to help care leavers. Dean explained that by attending, participants will be able to get 7 points for CPD (Continuous Professional Development). We came up with a couple of ideas for the event:</p> <ul style="list-style-type: none">- Put the famous people on the flyer as they will be the motivation for some young people to come- Jo M thought there should be a bit of blurb to hand round re all the key note speakers as it is useful to know a bit about the people you are listening to	<p>Nancy to let Sarah and CLG know about next regional CHICC events with other CHICCs</p>

	<ul style="list-style-type: none"> - Lots of HCC staff there to help and support young people who might find it difficult to participate 	
2	<p>Summer Events</p> <p>Arun, Jade and Alex can come to 31 July watersports</p> <p>Sarah W, Alex, Jade and Arun can come to boat party on 16 August</p>	
3	<p>Voice of Child Strategy Launch</p> <p>We need some care leavers to talk at the launch about why it is important that Children's Services listen to young people. We will need to develop a brief presentation. Jade would like to do this and possibly Arun and Alex</p>	
4	<p>Young People's Award panel</p> <p>We need some young people to be on the panel to judge the nominations. Jade and Sarah W would like to do this</p>	<p>Nancy to contact Sarah and Jade re potential date for panel</p>
5	<p>Next project</p> <p>We discussed what to work on next from our workplan. Transitions is currently being looked at with the survey we devised – we will be able to analyse the results in approx. a month's time.</p> <p>We decided to look at the 21-25 service next, to see what it is achieving.</p>	<p>Ellen to bring information to next CLG re 21-25 service including number of young people getting a service, the type of service, some case studies to show the difference made etc</p>
