

A mentor is someone you can trust, who volunteers their time to spend 1 hour a week with you to talk about anything you have on your mind or need help with.

We will choose a mentor for you who best suits your personality. They can be there for support or just someone to talk to. Meetings would be at a time convenient to you and your mentor and at a place where you feel comfortable.... maybe a cafe or library.

It may take a few meetings before you feel comfortable with your mentor but the aim is to develop an open and honest relationship. You need to be committed to giving it a go.
