

Hello,

We are contacting you because you are a person with Down's Syndrome.

People with Down's Syndrome have been added to the Clinically Extremely Vulnerable list.

We are sharing some important Easyread information about this from Public Health England.

If you are worried about your care and support or that you can no longer attend day care please contact your social worker or local social care team who will help you.

You can also call 0300 123 4042
