

Headline Sponsor: Warner Bros. Studios Leavesden

Warner Bros. Studios Leavesden generously supported the Awards 2015..

Councillor Derrick Ashley, Hertfordshire County Council Executive Member for Environment, Planning and Transport said “I am delighted to announce that our Headline Sponsor for 2015 is Warner Bros. Studios Leavesden, winner of the 2013 Retrofit award for the expansion and refurbishment of the former Rolls Royce Factory in Leavesden. The Studios are one of the largest and most state-of- the-art film production facilities in Europe, and contribute to the UKs Creative Industries, a key growth sector for the economy of Hertfordshire.”

The Studios has served a number of prominent institutions since it was first built over 70 years ago, however began life as a film studio in 1994. The facility has housed a number of high-profile productions including James Bond: Goldeneye, Star Wars Episode One: The Phantom Menace and Tim Burton’s Sleepy Hollow, to name but a few! It went on to become home to the most successful film series of all time with all eight of the Harry Potter films being shot at the studio.

More information about Warner Bros. Studios Leavesden is available on their [website](#).

Award Category Sponsor: Hertfordshire Local Enterprise Partnership sponsoring the 'Project of the Year' award.

Hertfordshire

Local Enterprise Partnership

The Hertfordshire Local Enterprise Partnership (LEP) works with local businesses, education providers, third and public sectors to drive forward sustainable economic growth for the county.

Thanks to its targeted Strategic Economic Plan, the LEP has secured £221.5m to date from the Government's Growth Deal to invest in key projects that support job creation, accelerate housing delivery and support key employment sectors. Its strategy focuses on three areas identified to have significant potential for growth: the M1/M25, A1(M) and the A10/M11 corridors.

Award Category Sponsor: The Green Triangle sponsoring the 'Most Sustainable Construction' award.

The Green Triangle is a partnership organisation based around three world leading research institute's focused and committed on supporting the growth and acceleration of green industries.

Through the collaboration of BRE, Rothamsted Research, the University of Hertfordshire, and with the support of St Albans City and District Council and Oaklands College, The Green Triangle aims to establish Hertfordshire as a globally renowned centre of excellence in green technology.
