

Hertfordshire Health Walks

January - April 2017

Welcome to the **Watford and Three Rivers** Health Walks programme, part of a countywide programme of free, led walks, helping **everyone** get outdoors, get more active and reap the benefits

Why walk?

Health Walks are an ideal way of taking exercise:

- Suitable for all ages and abilities
- Local, short and free
- Sociable - walk in groups and meet new people
- Strengthen your heart, muscles and bones
- Good for your wellbeing – de-stress and increase your confidence

Walk Grading

The walks are graded so you can choose the most suitable walk for you.

Accessible by Public Transport

Wheelchair friendly

Refreshments available nearby

Type of walk – level based on estimated time it takes to walk, hills, stiles - unless otherwise stated

our easiest walk, 20 - 30 minutes, flat and even ground, gentle pace, no stiles, regular stopping places

easy walk, 30 minutes, about 1.5 miles, gentle hills, no stiles

easy/moderate walk, 45 minutes, about 2 miles, moderate hills, no stiles

moderate walk, 1 hour, about 3 miles, moderate hills, faster pace, possible stiles

moderate plus, up to 90 minutes, possible steep inclines and stiles

longer than 90 minutes; classified as a progression walk

What you need to know

- Start slowly and always walk at a pace you are comfortable with, you should still be able to chat to the person next to you!
- All walks are led by trained volunteers.
- Brisk walking brings the most benefits (brisk is feeling a little warmer and breathing a little harder).
- Current medical advice suggests adults should aim to take moderate exercise for 150 minutes a week.
- Rarely, leaders may cancel individual walks for safety reasons
