Hertfordshire Health Walks

September - December 2017

Welcome to the **Watford and Three Rivers** Health Walks programme, part of a countywide programme of **FREE**, led walks, helping **everyone** get outdoors, get more active and reap the benefits

Why walk?

Health Walks are an ideal way of taking exercise:

- Suitable for all ages and abilities
- Local, short and free
- Sociable - walk in groups and meet new people
- Strengthen your heart, muscles and bones
- Good for your wellbeing – de-stress and increase your confidence

Walk Grading

The walks are graded so you can choose the most suitable walk for you.

Accessible by Public Transport

Type of walk – level based on estimated time it takes to walk, hills, stiles - unless otherwise stated

1

easy walk, 30 minutes, about 1.5 miles, gentle hills, no stiles

2

easy/moderate walk, 45 minutes, about 2 miles, moderate hills, no stiles

3

moderate walk, 1 hour, about 3 miles, moderate hills, faster pace, possible stiles

moderate plus, up to 90 minutes, possible steep inclines and stiles

What you need to know

- Start slowly and always walk at a pace you are comfortable with, you should still be able to chat to the person next to you!
- All walks are led by trained volunteers.
- Brisk walking brings the most benefits (brisk is feeling a little warmer and breathing a little harder).
- Current medical advice suggests adults should aim to take moderate exercise for 150 minutes a week.
- Rarely, leaders may cancel individual walks for safety reasons
- Dogs are welcome at the leaders' discretion. Please ensure your dog is on a short lead, and you walk to the rear of the group if fellow walkers are uncomfortable around dogs.
