This Order is made by Hertfordshire County Council under Section 53(2)(b) of the Wildlife and Countryside Act 1981 ("the Act") because it appears to that authority that the Definitive Map and Statement of Public Rights of Way in Hertfordshire requires modification in consequence of the occurrence of events specified in Sections 53(3)(c)(i) and 53(3)(c)(ii) of the Act, namely, the discovery by the authority of evidence which (when considered with all other relevant evidence available to them) shows that a right of way which is not shown in the map and statement subsists or is reasonably alleged to subsist over land in the area to which the map relates, being a right of way to which this Part applies; and that a highway shown in the map and statement as a highway of a particular description ought to be there shown as a highway of a different description.
