DETERMINATION (DECISION) OF APPLICATION

1. My name is Phil Wadey, and I have been the British Horse Society's regional access and bridleways officer for the East of England since 1996. I am the applicant for the order, on behalf of the Society.

2. The application route runs from the end of Aldenham 82, a route currently in the process of being added to the definitive map via The Hertfordshire County Council (Aldenham 82) Modification Order 2008, to Kemprow, a county road. The application route is not currently shown on the definitive map of rights of way for Hertfordshire. It is shown from point A (junction with Aldenham 82) to B (Kemprow) below.

3. The Society, with the Patchetts Green Riding Club, conducted a thorough review of rights of way in (then) current use by equestrians in the early 1990s as part of the Society's Year of Access and Riding Rights of Way. All the routes that were ridden but not on the definitive map were listed, and the Society set about making modification order applications accordingly. Two routes in this area were not the subject of modification order applications: Blackbirds Lane and
