This is an application for the map and statement that record details about public rights of way to be changed because it appears that a public route is missing from them. No new rights are created by a definitive map and statement modification order. Users will not be entitled to use any route once the order is made that they are not currently entitled to use. This application is made in order to assist the County Council to meet the Countryside Commission's target to have all public paths fully legally defined by the end of the century.
