Description

Please describe the route starting at one end and working through to the other & referring to photographs taken Describe any feature of note, roads, landmarks, buildings, hedges etc. If the route has a name or nickname please give it here.

Photo 1 shows the start of the route facing west. Photo 2 shows the area outside the fence of "Oakwood" continuing westwards to Photo 3 between "Bumbles" and "Cluden". Photo 4 shows the path turning the corner by the existing public footpath. Photos 5-7 shows the route as it moves North to the top of the field. Photo 8 shows the route as it moves East continuing to Photo 9 where it joins the existing footpath.

Width

Please give the full width of the path you are claiming. If the width differs in different places you will need to describe the application route and its width at for that length in sections Width may be defined by the distance between fences or the width which has been used by the public. Consider:

- what happens when meeting someone travelling in the opposite direction
- when taking dogs on leads
- holding hands with children.

Width claimed

The width varies from approximately 1 metre to 3 metres as can be seen by the photos.

Nature of surface

Please describe the surface of the path e.g. grass, made up track, across an arable field.

Compacted earth.

Location of structures

Please give details and grid references for any gates, stiles, fences, bollards, barriers etc which are on the route now. Do not give details of fences if they run beside the route unless they are encroaching.
