### Description

Please describe the route starting at one end and working through to the other end.

Describe any feature of note, roads, landmarks, buildings, hedges etc.

If the route has a name or nickname please give it here.

The pathway runs from the end of Ramsbury Rd (a cul-de-sac) through to Old London Rd, St Albans. The path is enclosed for fencing on both sides & follows around the edge of a block of flats + land known as Sudbury Court. On the pavement at the Old London Rd end there is a barrier to stop children running into the road from this path.

### Length

Please give the approximate length of the entire path in metres.

If you are claiming more than one path in the same application please give the length of each path separately.

80 metres

### Width

Please give the full width of the path you are claiming.

Please also give the width of the claimed path as it is now

Width claimed: Path is approx 1 metre wide (green area wider in places along the length)

Width now: \_\_\_\_\_

### Nature of surface

Please describe the surface of the path e.g. grass, made up track, ploughed, mud.

Mud

### Location of structures

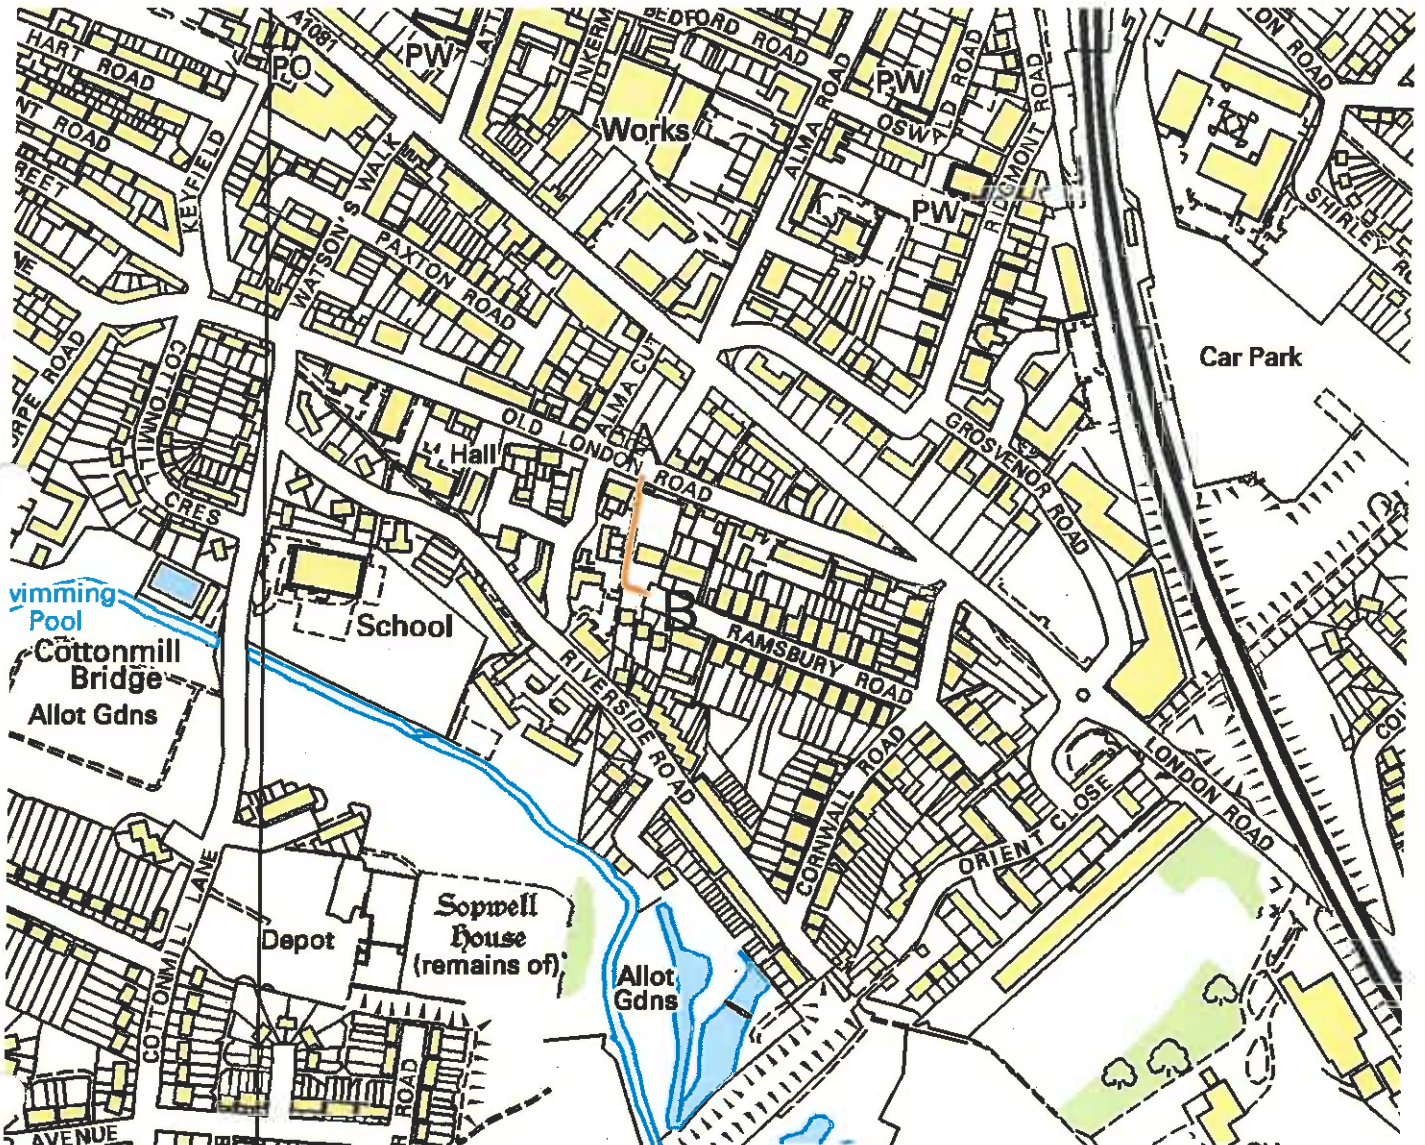

Please give details and grid references for any gates, stiles, fences, bollards, barriers etc which are on the route now. Do not give details of fences if they run beside the route unless they are encroaching.
