**Note not forming part of the Statutory Notice**

The Definitive Map and Statement of Public Rights of Way in Hertfordshire is a record of rights of way in the County.

This application has been made because it appears that a public right of way exists which has not been recorded in the Definitive Map and Statement.

A definitive map modification order will not create new rights but will just record those rights which already exist.

This application is made in order to assist the County Council to meet its statutory duty to record public rights of way.
