3rd February, 2000.

Dear Sir,

I wish to lodge the enclosed map of the area around the village of Cottered with your department. It replaces one sent to you several years ago.

We are responsible for the land edged red on the map. We acknowledge the routes marked green on the map as Public Rights of Way. There are no other Public Rights of Way within the land edged red.

Please acknowledge this letter in writing at your earliest convenience.

Yours faithfully,

Kingsley Bros.
