Summary of Allocations by Infant or First School – 2023 & 2022

(listed by town)

This section gives a summary of the allocations made for pupils applying to junior or middle schools, and is broken down by the infant or first school the applicant listed as the current school on their application. The data includes on-time and late applications from Hertfordshire and out county applicants who attend Hertfordshire infant or first schools. The data is displayed for the 2023 and 2022 admissions processes.

NOTES

- We do not hold allocation information for applicants living outside Hertfordshire unless they have been allocated a Hertfordshire junior or middle school. Therefore the number of ranked allocations plus the number of non ranked allocations may not always equal the number of applicants. For the same reason a school with only ranked allocations may not show as 100% ranked.
- In the 'Non Ranked Allocation' columns the first figures refer to the **total** number of non ranked allocations or percentage, while the figures in brackets refer to the number of **ontime** non ranked allocations or percentage.

Addendum Sheet

After this report was produced, the following changes were made prior to allocation day due to late receipt of allocation information from other authorities:

- 1 child living outside of Hertfordshire had their 2nd preference allocation withdrawn from The Grove Infant & Nursery School as their home LA were able to allocate a higher preference school, this in turn reduced the number of places allocated at The Grove Infant & Nursery school from 64 to 63.
