

## **Barking & Dagenham**

The Barking & Dagenham Catholic Schools listed below are proposing to change their admission arrangements for the academic year 2021-2022.

The admissions criteria changes are based upon the CES model admissions criteria and the change to the current criteria relates to all of the relevant parishes for applicants being listed as part of the over subscription criteria (criteria 2 and criteria 3), with preference given to those living within the schools own parish.

The consultation opened on 09 December 2019 and closes on 17 January 2020.

Comments on this consultation must be sent to each school email address listed or using the school's consultation reply form.

Links to each school's consultation documents are listed below.
