

## **Hertfordshire County Council's oversubscription criteria for secondary and upper community coeducational schools for 2021/22**

Section 324 of the Education Act 1996 requires the governing bodies of all maintained schools to admit a child with an Education, Health and Care Plan (EHCP) that names their school.

If there are fewer applications than places available at a school all applicants will be admitted. If there are more applications than places available, the criteria outlined below will be used to prioritise applications.

### **Oversubscription criteria**

**Rule 1: Children looked after** and children who were previously looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or a special guardianship order)\*.

#### **Rule 2: Medical or Social**

Children for whom it can be demonstrated that they have a particular medical or social need to go to the school, ***which includes children previously from abroad who were cared for by the state because he or she would not otherwise have been cared for adequately and subsequently adopted.***

A panel of officers will determine whether the evidence provided is sufficiently compelling to meet the requirements for this rule. The evidence must relate specifically to the school applied for under Rule 2 and must clearly demonstrate why it is the only school that can meet the child's needs.

#### **Rule 3: Sibling**

Children who have a sibling at the school at the time of application, unless the sibling is in the last year of the normal age-range of the school\*.

*Note: the 'normal age range' is the designated range for which the school provides, for example Years 7 to 11 in an 11-16 secondary school, Years 7 to 13 in an 11-18 school.*

**Rule 4:** Children who live in the priority area for whom it is their nearest\* Hertfordshire maintained school or academy that is non-faith, co-educational and non-partially selective.

*Note: Non-partially selective means that the school does not offer any places based on academic ability.*

**Rule 5:** Children who live in the priority area who live nearest to the school.

**Rule 6:** Children living outside the priority area on the basis of distance, with those living nearest to the school given priority.

These rules are applied in the order they are printed above. If more children qualify under a particular rule than there are places available, a tiebreak will be used by applying the next rule to those children.

### **Tie break**

When there is a need for a tie break where two different addresses are the same distance from a school, in the case of a block of flats for example, the lower door number will be deemed nearest as logically this will be on the ground floor and therefore closer. If there are two identical addresses of separate applicants, the tie break will be random. Every child entered onto the HCC admissions database has an individual random number assigned, between 1 and 1 million, against each preference school. When there is a need for a final tie break the random number is used to allocate the place, with the lowest number given priority.

*\*Please see the 'Explanatory notes and definitions 2021/22 document for a full explanation/definition.*

## Continuing Interest

After places have been offered, Hertfordshire County Council will maintain a continuing interest (waiting) list for all community and voluntary controlled schools. A child's position on a CI list will be determined by the admission criteria outlined above and a child's place on the list can change as other children join or leave it. The county council will contact parents/carers if a vacancy becomes available and it can be offered to a child. Continuing interest lists will be maintained for every year group until the summer term (date to be specified and confirmed to parents at the time of allocation). To retain a CI application after this time, parents must make an In Year application.

## In Year Admissions

Hertfordshire County Council co-ordinate In Year Admissions for all community and voluntary controlled schools. Information about how to apply and the online application form can be found at [www.hertfordshire.gov.uk/inyear](http://www.hertfordshire.gov.uk/inyear) The oversubscription criteria outlined above is used to prioritise all In Year applications to community and voluntary controlled schools.

## Fair Access

Community and voluntary controlled schools will admit children under the Fair Access Protocol before those on continuing interest, and over the Published Admission Number (PAN) if required.

## Priority Areas

The coeducational priority areas in the admission rules are based on the following towns, parishes/ unparished areas. These apply to Rules 4 and 5. Academies and foundation schools (agreed or proposed) that will be retaining the county's priority areas as part of their admission arrangements for 2021/22 have been included for information but are marked with an asterisk\*
