## Summary of Allocations by Infant or First School - 2016 (listed by town)

This section gives a summary of the allocations made for pupils applying to junior or middle schools, and is broken down by the infant or first school the applicant listed as the current school on their application. The data includes on-time and late applications from Hertfordshire and out county applicants who attend Hertfordshire primary, junior or middle schools. The data is displayed for the 2016 admissions process.

### NOTES

- We do not hold allocation information for applicants living outside Hertfordshire unless they have been allocated a Hertfordshire Junior or Middle school. Therefore the number of ranked allocations plus the number of non ranked allocations may not always equal the number of applicants. For the same reason a school with only ranked allocations may not show as 100% ranked.
- In the 'Non Ranked Allocation' columns the first figures refer to the **total** number of non ranked allocations or percentage, while the figures in brackets refer to the number of **ontime** non ranked allocations or percentage.
