# ENGLISH & MATHS ASSESSMENTS FOR YOUR EMPLOYEES

- ✦ Are you a business in Hertfordshire?
- ✦ Are you a small business with less than 250 employees?
- ✦ Do some of your employees need help with English & maths?

## IF YES

### HAFLS will:

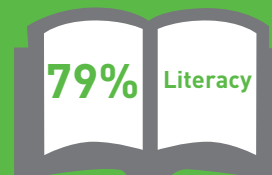

- ✦ visit you at your premises and agree a training plan for your company
- ✦ complete assessments online with your employees or by hand (we bring all materials)
- ✦ give your employees confidential feedback on their assessments
- ✦ use a diagnostic tool to work out which specific areas they need help with
- ✦ offer discrete on-site provision to employees to raise English and maths levels
- ✦ help you plan solutions to support your employees including looking at specific courses tailored to your business need

“Commit yourself to lifelong learning. The most valuable asset you’ll ever have is your mind and what you put into it”  
– Brian Tracy

The highest level of qualification for **21% of Hertfordshire residents aged 16-74** is level 2

A survey conducted of more than 1000 employers by the Learning and Skills Network found the key skills that employers want in their employees are the following:

Numeracy
