### Action taken

2009:

- permanent enlargement at Greenway First by 0.5 f.e. (15 places) to 2 f.e.

2011:

- temporary enlargement of Westfield First by 1 f.e. (30 places) to 2 f.e.;
- the county council consulted on two proposals to permanently enlarge Greenway First and Westfield First by 1 f.e. each. Cabinet agreed on 14 October 2011 that a fresh consultation should be undertaken considering alternative options in the town.

2012:

- temporary enlargement of Swing Gate First by 1 f.e. (30 places) to 2 f.e.;
- temporary enlargement of Greenway First by 1 f.e. (30 places) to 3 f.e.;
- temporary enlargement of Victoria C of E First by 0.1 f.e. (3 places) to 1.5 f.e.;
- a public consultation was held on options to provide additional places in the town. As a result, statutory proposals were published to change from a three-tier system of education in the town to a two-tier system. The existing schools would become a mix of primary, infant, junior and secondary schools to provide an additional 2.6 f.e. (78 reception places) from September 2013;
- following a further consultation, the Office of the Schools Adjudicator ruled that the published admission number at Greenway should be lowered from 60 to 30 with effect from September 2013;

2013: The first stage of implementation of the change to a two tier system of education began, affecting the following schools:

- Bridgewater - a change in the age of the former Middle School started its transition to becoming a 2 f.e. Primary School. 60 reception places

were available for the first time and the school no longer had year 7 and 8 classes;

- Victoria C of E – a change in age range meant the former First School became an Infant School. Its reception intake increased by 0.6 f.e. (18 places) to 2 f.e. The school no longer had year 3 and 4 classes;
- Swing Gate – a change in age range meant the former first school became an Infant School. The reception intake increased by 1 f.e. (30 places) to 2 f.e. The school no longer had year 3 and 4 classes;
- Thomas Coram C of E – a change in age range of the former Middle School meant it became a Junior School. It provided year 3 and 4 places for the first time. The school no longer had year 7 and 8 classes.

Note: Ashlyns, a former upper school, became a secondary school from 2013.

2014: The second stage of implementation began:

- Greenway, Potten End, St Mary's C of E and Westfield – a change in the age ranges of these First Schools began their transition to becoming primary schools.

2015:

- temporary enlargement of Greenway by 6 places.

## Next steps

Forecasts will continue to be monitored.

<b>BISHOP'S STORTFORD</b>				
<b>7.3</b>				
<b>Summer Term 2016/17 Forecast</b>	<b>2016/17</b>	<b>2017/18</b>	<b>2018/19</b>	<b>2019/20</b>
<b>Number of reception places available</b>	510	480	480	480
<b>Demand</b>	516	468	453	445
<b>Surplus/Shortage</b>	-6	12	27	35
<b>% Surplus/Shortage</b>	-1.2%	2.5%	5.6%	7.3%
<b>No of FE</b>	-0.2	0.4	0.9	1.2

The current forecast indicates a small shortage of places in 2016/17, with a surplus of places from 2017/18 onwards.

These forecasts include a general assumption around pupil yield from new housing developments. They do not specifically account for the yield from the proposed large development at Bishops Stortford North of up to 2650 new dwellings. Large developments such as this are expected to provide primary schools within the development area to meet the needs of the new community.

## Action taken

2014:

- temporary enlargement of Windhill by 1 f.e. (30 places) to 3 f.e.

2015:

- temporary enlargement of Hillmead by 1 f.e. (30 places) to 2 f.e.

2016:

- temporary enlargement of Hillmead by 1 f.e. (30 places) to 2 f.e.. The places are included in the table above.

### Next steps

New primary provision is planned to serve Bishop's Stortford North. The timing of the opening of the new schools is linked with the developers' construction programme.

Forecasts will continue to be monitored to ensure there are sufficient places available in the local area to meet need.

- permanent enlargement of Summerswood by 1 f.e. (30 places) to 2 f.e.;
- temporary enlargement of Parkside by 1 f.e. (30 places) to 2 f.e.

2013:

- permanent enlargement of Parkside School by 1 f.e. (30 places) to 2 f.e.

2016:

- temporary enlargement of Saffron Green by 1 f.e. (30 places) to 2 f.e. The places are included in the table above.
- Yavneh Jewish Primary School new 2 f.e. school is due to open in September 2016. The places are included in the table above.

### Next steps

The new 2 f.e. Yavneh Primary School opening in September 2016, will change the pattern of application and allocation in this area. Those changes are not reflected in the current forecast and as a result, demand for places will increase. Forecasts will need to be monitored carefully to ensure there are sufficient places available in the local area to meet need. The county council will work with schools to agree temporary arrangements, if needed.

The current forecast indicates a peak shortage of places in 2017/18 and 2018/19 only.

### Action taken

Previous action included a reduction of primary places in 2009 through the closure of Westbury and Lannock Primary Schools and the reduction of the number of places at Radburn Primary (now Garden City Academy).

2006/2007:

- review of surplus primary places undertaken.

2009:

- implementation of review outcomes:
- Westbury and Lannock were closed (a reduction of 64 places);
- Radburn's PAN was reduced from 38 to 30.

2012:

- temporary enlargement of Hartsfield by 1 f.e. (30 places) to 3 f.e. in neighbouring Baldock to meet demand from the wider area.

2013:

- permanent enlargement of Icknield Infant by 0.3 f.e. (9 places) to 3 f.e.;
- permanent enlargement of Lordship Farm by 0.3 f.e. (9 places) to 2 f.e.;
- temporary enlargement of Garden City Academy by 1 f.e. (30 places) to 2 f.e. to meet demand from the wider area.

2014:

- temporary enlargement of Garden City Academy by 1 f.e. (30 places) to 2 f.e. to meet demand for additional reception places from the wider area.

2015:

- temporary enlargement of Stonehill by 1 f.e. (30 places) to 2 f.e.

2016:

- permanent enlargement of Wilbury Junior by 0.3 f.e. (9 places) to 3 f.e. (linked to the earlier enlargement of Icknield Infant in 2013)
- temporary enlargement of Garden City Academy by 1 f.e. (30 places) to 2 f.e. The places are included in the table above.

### Next steps

Forecasts will continue to be monitored to ensure there are sufficient places available in the local area to meet the demand. The county council will work with local schools to agree temporary arrangements, if needed.
