

"My Voice in Art"

Hertfordshire County Council Art Contest

Let's celebrate the power of art and inspire others!

If you are:

- A child or young person with special educational needs
- Between the ages of 0 and 25 years old
- A resident of Hertfordshire

Then come and join in our art contest!

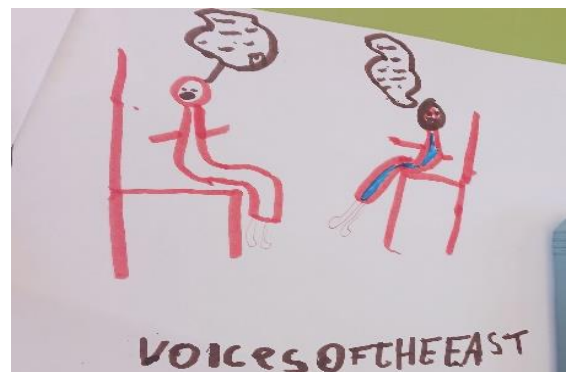

What is it about?

Some people use different ways to communicate with each other. This helps them understand things and feel better about sharing their ideas.

We all have different ways we prefer to stay in touch and speak to each other:

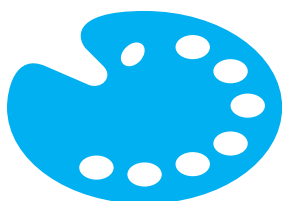

- Some people use **British Sign Language**, or **Makaton**.
- Some people find phone calls difficult, and **emailing or messaging** a lot easier.
- Some people need **more time** and **clear sentences** to understand what is being said to them.

It is important that people know how to communicate with us. This helps us feel listened to and more confident.

"The power of talk", by a young man who attended a Voices of the East event in June 2024 with Services for Young People.

What to do:

Make a piece of art that shows how you like to **communicate with people**. Your artwork can show *any* form of communication!

Think about what helps you communicate with others. You can use **anything you like** to create your art. Be as creative as you can!

Next Steps:

1. Take a photo or scan of your art.
2. Email this to policyandpractice@hertfordshire.gov.uk
3. Include your **name, age and contact details**.
4. Make sure the email header contains "My Voice In Art".

The deadline for submissions is **Friday 27th September at 5 o'clock**.

How we will judge:

- We will showcase entries at our SEND Festival of Practice. The theme of this festival is "**The Voice of the Child/Young Person**".
- Adults who work with children and young people like you will get to see your art.
- These adults will learn more about how important different communication is. They will then vote for their favourites!
- We will announce the winners at the SEND Festival of Practice closing event on **11th October**.
