

Local careers advice across Hertfordshire and Bedfordshire

Helping you into
work and training

Produced by Futures delivering the National Careers Service contract in the East midlands and East of England.

**National
Careers
Service**™

Understand the job market. Realise your potential

Our expert advisers can help you to:

- Complete a skills health check to recognise the skills you have that employers want
- Boost your job satisfaction by finding the career that matches your skills and interests
- Find the right course - new skills and qualifications so you get more out of work and life!
- Make your CV stand out and how to sell yourself in interviews
- Understand modern job searching techniques and networking
- Create a personal action plan to help you progress in practical steps
- Latest intelligence on employment opportunities in your local area

Who can we help?

Anyone 19 or over who is looking for work or to develop their career.
Supported by a team of qualified, experienced and professional advisers

"This has been a very motivating and excellent session inspiring me to apply for jobs."

Customer

"Customers value highly the help they receive."

Ofsted
